# International Cooperation

**UNTL**  
Universidade Nacional Timor Lorosa'e

Cooperation is one of the main vectors of Universidade Nacional Timor Lorosa'e (UNTL) **development**, as demonstrated by the implementation of numerous initiatives of national and international nature, in accordance with the university **Strategic Plan 2011-2020**. This approach allows to develop the existing **cooperation** initiatives, start and establish innovative cooperation dynamics and actively participate in a significant number of **international education and training programs**, being many of these activities carried out under the over 120 bilateral and multilateral **cooperation agreements** signed with institutions from all continents.
